Continuing students will have the opportunity to register for their fall 2015 semesters starting March 2, 2015. Please refer to the advising schedule to see if your advisor is planning an on-site advising session or whether you need to contact your advisor for registration. This is also the time to discuss your overall program with your advisor. As stated in the Degree Completion catalog, the student bears final responsibility for adherence to all published regulations and requirements of the University including application for graduation. The student cannot transfer this responsibility to his/her advisor. After confirming your schedule, your advisor will issue a PIN number and give you instructions on entering your schedule for the spring semester.

CANCELLATION OF YOUR SCHEDULE OR WITHDRAWAL FROM A CLASS

Cancellations – You may cancel your registration schedule for fall 2015 by the drop/add deadlines below. Registration cancellation means that no fees will be assessed and no academic record will be created for the semester. You may email your advisor to cancel your schedule or use your PIN.

A grade of “W”, “WP”, or “WF” will be assigned in accordance with the Academic Calendar at [http://www.gardner-webb.edu/calendars/academic-calendar/index](http://www.gardner-webb.edu/calendars/academic-calendar/index). You can also use your PIN number to make changes to your schedule before the drop/add date ends. Additions or deletions to the fall 2015 Minimester may be made until 5:00 pm on October 14, 2015. The October 14 deadline only applies to courses beginning on October 12 – not to courses that began on August 17.
